WOODLANDS REGIONAL CENTRE

Woodlands Regional Centre will introduce new spaces for business, industry, research and development, learning and innovation across more than 100 hectares of developable land. Set within a vibrant and green landscape that is seamlessly connected to key locations in Singapore and Johor Bahru, it is poised to become the strategic center for the Northern Agri-Tech and Food Corridor. This Corridor will integrate various uses in Singapore's north, linking the future Agri-Food Innovation Park and Woodlands Regional Centre with synergistic elements of the ecosystem in the north, including farms, Republic Polytechnic, and the Senoko Food Zone.

WOODLANDS EDUCATION INSTITUTION
